Determination
and Order

BPMC #16-022

CCNY

A notice of referral proceeding and statement of charges, both dated August 31, 2015, were served on Respondent Eugene DeSimone, M.D. The statement of charges alleged professional misconduct in violation of New York State Education Law 6530. A hearing was held at offices of the New York State Department of Health, Albany, New York, on December 17, 2015.

Pursuant to Public Health Law 230(10)(e), Mohammed-Rezo Ghazi-Moghadam, M.D., Chairperson, Arsenio G. Agopovich, M.D., and Janet R. Axelrod, Esq., duly designated members of the State Board for Professional Medical Conduct, served as the hearing committee. John Harris Terepka, Administrative Law Judge, served as the administrative officer.

The Department of Health (the Petitioner) was represented by Mark S. Nash, Esq. Eugene DeSimone, M.D., (the Respondent) did not appear, although duly served with notice of the hearing in conformity with the requirements of PHL 230(10)(d). (Exhibit 2.) Evidence was received and a transcript of the proceedings was made. After consideration of the entire record, the hearing committee issues this determination and order sustaining the charges and revoking the Respondent's license to practice medicine.

JURISDICTION

As is set forth in Public Health Law 230(1)&(7) and Education Law 6530, the legislature created the State Board for Professional Medical Conduct in the Department of Health and authorized it to conduct disciplinary proceedings in matters of professional medical conduct. In this case, the Respondent, a physician, has been charged with misconduct pursuant to Ed.L 6530(9)(a)(ii).

Pursuant to PHL 230(10)(p), a hearing on circumscribed issues, or "direct referral proceeding," is authorized when a licensee is charged solely with a violation of Ed.L 6530(9). Charges of misconduct under Ed.L 6530(9) are based upon a criminal conviction or an administrative violation, in New York State or another jurisdiction, establishing conduct that would constitute a crime or professional misconduct if committed in New York. The scope of the hearing is limited to whether there is a relevant conviction or administrative determination and if so, to a determination of the nature and severity of the penalty to be imposed. PHL 230(10)(p). Hearing procedures are set forth in Department of Health regulations at 10 NYCRR Part 51.

A transcript of the hearing was made. (Transcript, pages 1-21.)

FINDINGS OF FACT

An opportunity to be heard having been afforded the parties and evidence having been considered, it is hereby found:

1. Respondent Eugene DeSimone, M.D. was authorized to practice medicine in New York State on October 29, 1982 under license number 151936. (Exhibit 3.)
2. On May 5, 2015, in the United States District Court, District of New Jersey, the Respondent pleaded guilty to and was convicted of accepting bribes in violation of 18 U.S.C. 1952(a)(3) and 18 U.S.C. 2. Over a three year period, the Respondent accepted bribes from a medical laboratory in return for his referral of patient blood specimens for testing that was billed to Medicare and private payors. The Respondent was sentenced to 37 months incarceration, followed by supervised release for one year, with conditions, and a \$5,000 fine. (Exhibit 4.)

HEARING COMMITTEE DETERMINATION

After reviewing records obtained from the United States District Court, District of New Jersey (Exhibit 4), the hearing committee unanimously determined that, as alleged in the statement of charges, the Respondent violated Ed.L. 6530(9)(a)(ii) which defines professional misconduct, in pertinent part, as:

9. (a) Being convicted of committing an act constituting a crime under... (ii) federal law.

The Petitioner recommended revocation of the Respondent's license. (Transcript, pages 14-15.)

The Respondent was offered the opportunity to request participation in the hearing by telephone, but failed to make any such request. (Exhibit I; Transcript, pages 18-19.) The hearing committee did, however, consider the Respondent's written submissions (Exhibits A,

B), which admitted the bribery conviction but essentially attempted to deny any wrongdoing. His excuses for his actions amounted to an implausible claim that he thought he was receiving rent, not bribes, from a laboratory to which he referred blood specimens worth nearly \$1 million in claims over a three year period. He also blamed his attorneys for not fully investigating the circumstances and the law. His explanations are inconsistent with his guilty plea and sentence to more than three years of incarceration. The hearing committee agreed that the evidence, and the Respondent's continuing denial of responsibility for his criminal conduct, established the Respondent's license should be revoked.

The hearing committee's vote sustaining the charge and revoking the Respondent's license was unanimous (3-0).

ORDER

IT IS HEREBY ORDERED THAT:

1. The Respondent's license to practice medicine in New York State is revoked.

This order shall be effective upon service on the Respondent by personal service or by registered or certified mail as required under PHL 230(10)(h).
